

2010 Joint Research Conference on Statistics in Quality, Industry, and Technology

May 25-27, 2010

National Institute of Standards and Technology (NIST)
Gaithersburg, MD

The 17th Spring Research Conference on Statistics in Industry and Technology and the 27th Quality and Productivity Research Conference will be held jointly at the National Institute of Standards and Technology in Gaithersburg, Maryland (just outside Washington, D.C.) from Tuesday, May 25 - Thursday, May 27, 2010.

The goal of the conference is to stimulate interdisciplinary research in quality and productivity, industrial needs, and the physical and engineering sciences.

You are invited to contribute papers on these topics for presentation at the conference. Please submit title, authors, and a short abstract to jrc2010cp@nist.gov. To encourage maximum participation, the deadline for abstract submission has been extended to April 15, 2010.

For further information please visit www.jrc2010.org.

Look forward to seeing you in Gaithersburg this May!
