

# 2012 Quality and Productivity Research Conference

June 4-7, 2012

California State University  
Long Beach, CA

CSU Long Beach  
Pyramid Sports Arena

CSU Long Beach  
Japanese Garden

The 29th Quality and Productivity Research Conference (QPRC) will be held at the Long Beach, CA campus of California State University (CSU) from Tuesday-Thursday, 6/5/12 - 6/7/12.

A short course on statistical process control (SPC) methods will also be offered on Monday, 6/4/12. A local industry tour will be planned.

The goal of the conference is to stimulate interdisciplinary research among statisticians, scientists, and engineers in quality and productivity, industrial needs, and the physical and engineering sciences. Statistical issues and research approaches drawn from collaborative research will be highlighted.

For more conference information, including how to give a presentation at the conference please visit [www.qprc2012.com](http://www.qprc2012.com)

QPRC is partially sponsored by the American Statistical Association  
CSU Long Beach and The University of California at Riverside
