

Special Issue: 2016 QPRC & Applied Stochastic Models in Business and Industry (ASMBI)

The Journal ASMBI has agreed to publish a special volume comprising selected papers from the 2016 Quality and Productivity Research Conference in Tempe, AZ. To submit a paper please visit mc.manuscriptcentral.com/asmb and follow the guidelines for authors. Please check “Yes” in the “Special Issue” section (part 1 of submission form), and then specify “2016QPRC” in the “Special Issue Information” section of part 4 (Details & Comments). The deadline for submitting papers: September 30, 2016.

Papers of interested authors will go through a peer review process.

For questions related to ASMBI and this issue please contact Emmanuel Yashchin (yashchi@us.ibm.com)
